Bonnell Aluminum Hires Matthew L. Larson as Regional Sales Manager – US West Coast

Newnan, Ga.—February 13, 2012—Committed to serving the growing demand of its key customers and strategic markets, Bonnell Aluminum, North America’s leading manufacturer of custom aluminum extrusions, is pleased to welcome Matt Larson to its team of Regional Sales Managers.

Matt joins Bonnell Aluminum as Regional Sales Manager for the US Western States which include California, Arizona, New Mexico, Nevada, Oregon, Washington, Idaho, Montana and Utah.

Matt will be responsible for overseeing both sales and business development activities in the region, and will be based in Phoenix. Prior to joining Bonnell Aluminum, Matt gained more than 25 years of aluminum extrusion experience as owner and General Manager for Exact Extrusions.

According to Tom Ewing, Sales Manager at Bonnell Aluminum, “Matt possesses the unique combination of experience and entrepreneurship that we look for in every Regional Sales Manager. His addition to our sales force further strengthens our ability to meet the needs of our West Coast customers and solidifies our presence in the region. We are very fortunate to have him on our team.”

Matt has a Bachelor of Science Degree in Business and Administration from Southern Illinois University.

About Bonnell Aluminum

Bonnell is a subsidiary of Richmond Va., based Tredegar Corporation. (NYSE:TG) and is North-America’s premier aluminum extrusion supplier to architectural nonresidential construction markets. The company produces soft-alloy aluminum extrusions primarily for building and construction, distribution, transportation, machinery and equipment, electrical and consumer durables markets.
